

Service Termination Policy

The purpose of this policy is to establish determination guidelines and notification procedures for service termination.

I. Policy

It is the policy of Ability Building Center to ensure our procedures for service termination promote continuity of care and service coordination for individuals served.

II. Procedures

- A. Ability Building Center must permit each person to remain in the program and must not terminate services unless:
 - 1. The termination is necessary for the person's welfare and the person's needs cannot be met in the facility;
 - 2. The safety of the person or others in the program is endangered and positive support strategies were attempted and have not achieved and effectively maintained safety for the person or others;
 - 3. The health of the person or others in the program would otherwise be endangered;
 - 4. The program has not been paid for services;
 - 5. The program ceases to operate; or
 - 6. The person has been terminated by the lead agency from waiver eligibility.

- B. Prior to giving notice of service termination Ability Building Center must document the actions taken to minimize or eliminate the need for termination.
 - 1. Action taken by Ability Building Center must include, at a minimum:
 - a. Consultation with the person's support team or expanded support team to identify and resolve issues leading to the issuance of the notice; and
 - b. A request to the case manager for intervention services, including behavioral support services, in-home or out-of-home crisis respite services, specialist services, or other professional consultation or intervention services to support the person in the program.

The request for intervention services will not be made for service termination notices issued because the program has not been paid for services.

- 2. If, based on the best interests of the person, the circumstances at the time of the notice were such that Ability Building Center is unable to consult with the person's team or request interventions services, Ability Building Center must document the specific circumstances and the reason for being unable to do so.
